Beautiful site

I'd have the opportunity to visit Bach Ma with my friends. The road to

Bach Ma was a bit afraid because it's too high, our driver first drove up the pass but was generally safe. There are many restaurants that serve food on the mountain top. Noted that from 3 pm onwards it is very easy to rain.

It is truly a heaven!

We came Bach Ma in a rainy day, because of the rain, our tour guide was cautious about driving. Therefore, it is not highly recommended to visit Bach Ma on rainy days, but this area is very beautiful, clean, and still worth going.

Bach Ma is one of my favorite

This is really an ideal place for backpacking trips, camping, and hiking. Beautiful landscapes. Fresh air. We were very surprised because there were 7 waterfalls and we went all 7 waterfalls and Do Quyen was the last and most beautiful waterfall. What an interesting trip.

Best moments in Bach Ma

I went to Bach Ma in the early spring days. Spring weather makes Bach Ma more poetic. The landscape is extremely majestic, cold atmosphere is no different from Dalat. Remember to bring along the warm clothing.

What a great tour!
